Top Things To Do

The best things to do in Singapore, curated for first timers and repeat visitors alike. Discover iconic attractions, must-visit places and unique experiences across the city, from famous sights to memorable activities for every kind of traveller.

Go beyond the usual activities and discover something refreshingly different. Tick off bucket-list moments that will make your trip to Singapore truly memorable.

AltitudeX

Defy gravity, soar indoors and feel the adrenaline of flight at AltitudeX on Sentosa Island.

Bird Paradise

Take flight to Asia's largest bird park, home to more than 3,500 birds from over 400 species. Explore 10 immersive walk-through aviaries, inspired by habitats from around the world.

Exploria

Explore one of Southeast Asia's largest indoor, nature-themed multimedia attractions, where rarely seen realms of the world come to life. Use your RFID wristband to unlock interactive touchpoints and discover the wonders of nature – past and present.
